24
pages

LET'S EXPLORE TOGETHER!

Hi, I'm Morfu!

Welcome to our Coral Ocean adventure.

We'll discover amazing things,
solve fun activities, and have lots of fun!

Are you ready? Let's go!

Explorer Name: _____

HELP THE LITTLE OCTOPUS

Draw a path through the coral to help the little octopus reach her home.

START

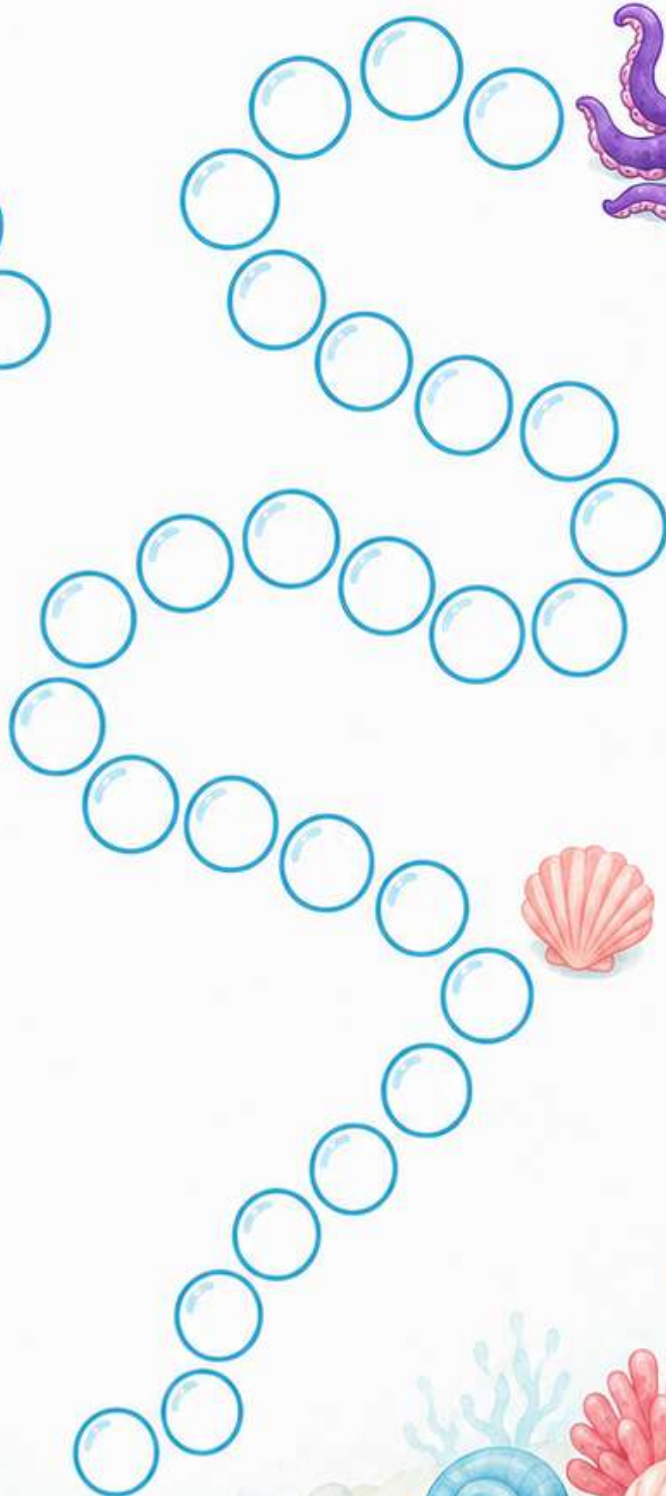

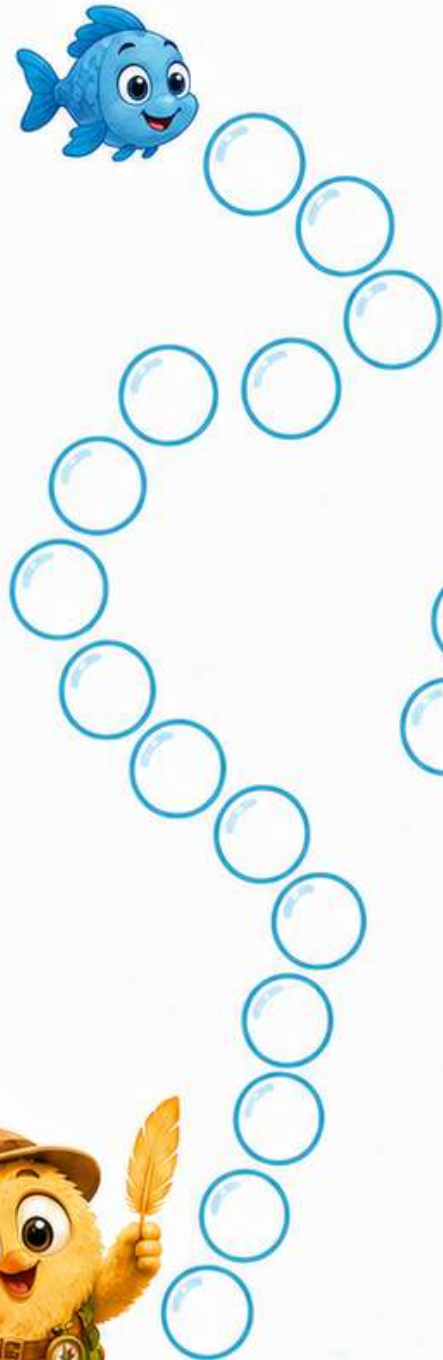

HOME

FOLLOW THE BUBBLES

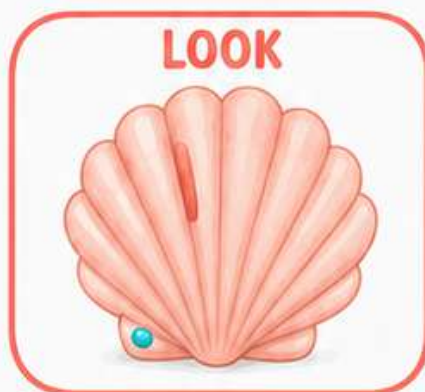

Trace each bubble trail. Which one leads Morfu to his ocean friend?

FIND THE SAME SHELL

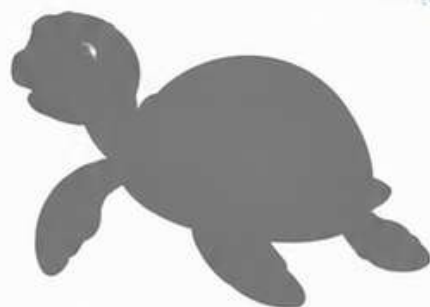

Look carefully. Circle the shell that is exactly the same.

Match the Shadows

Draw a line to the correct shadow.

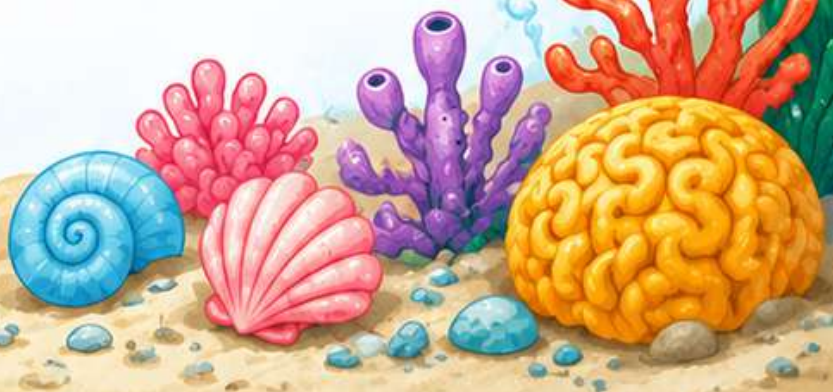

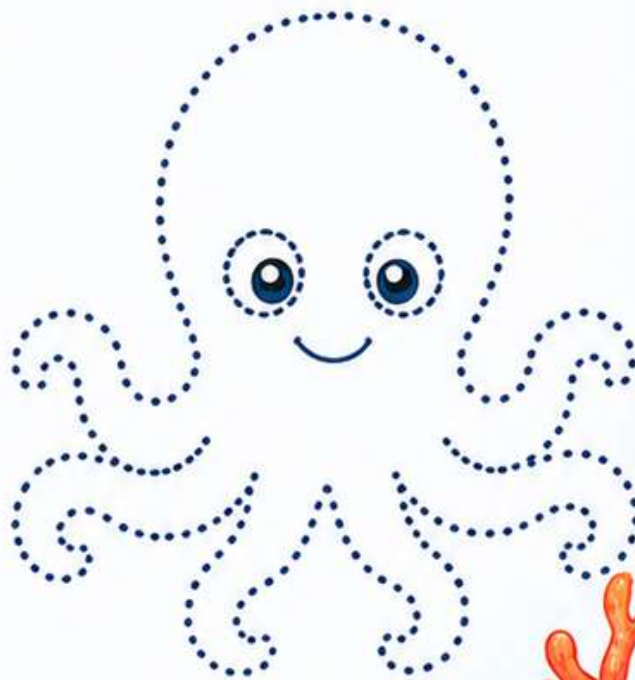

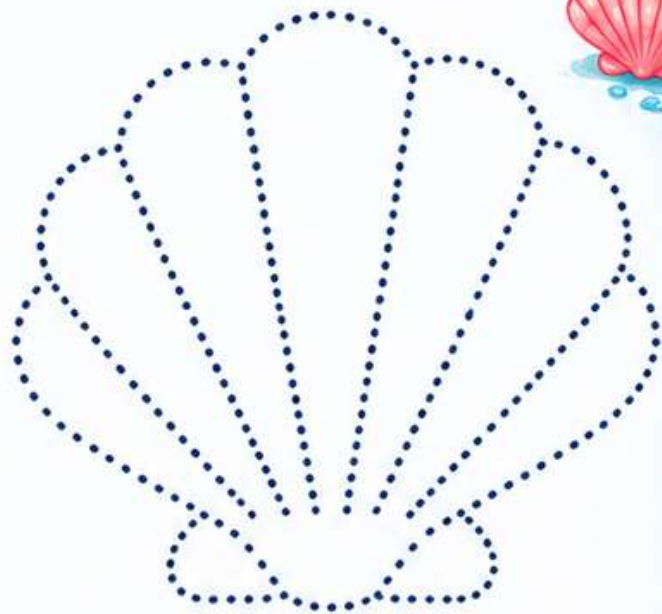

CONNECT THE DOTS

Connect the dots from 1 to 15, then back to 1. What sea animal appears?

TRACE THE SEA SHAPES

Trace each dotted shape with your pencil.

Find the Differences

Can you spot 5 differences?

COLOR MORFU!

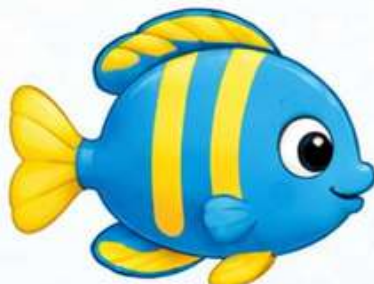

Use your favorite colors.

FIND THE SAME FISH

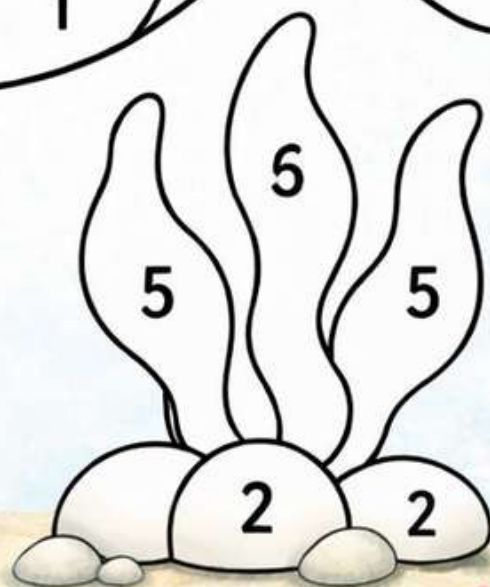

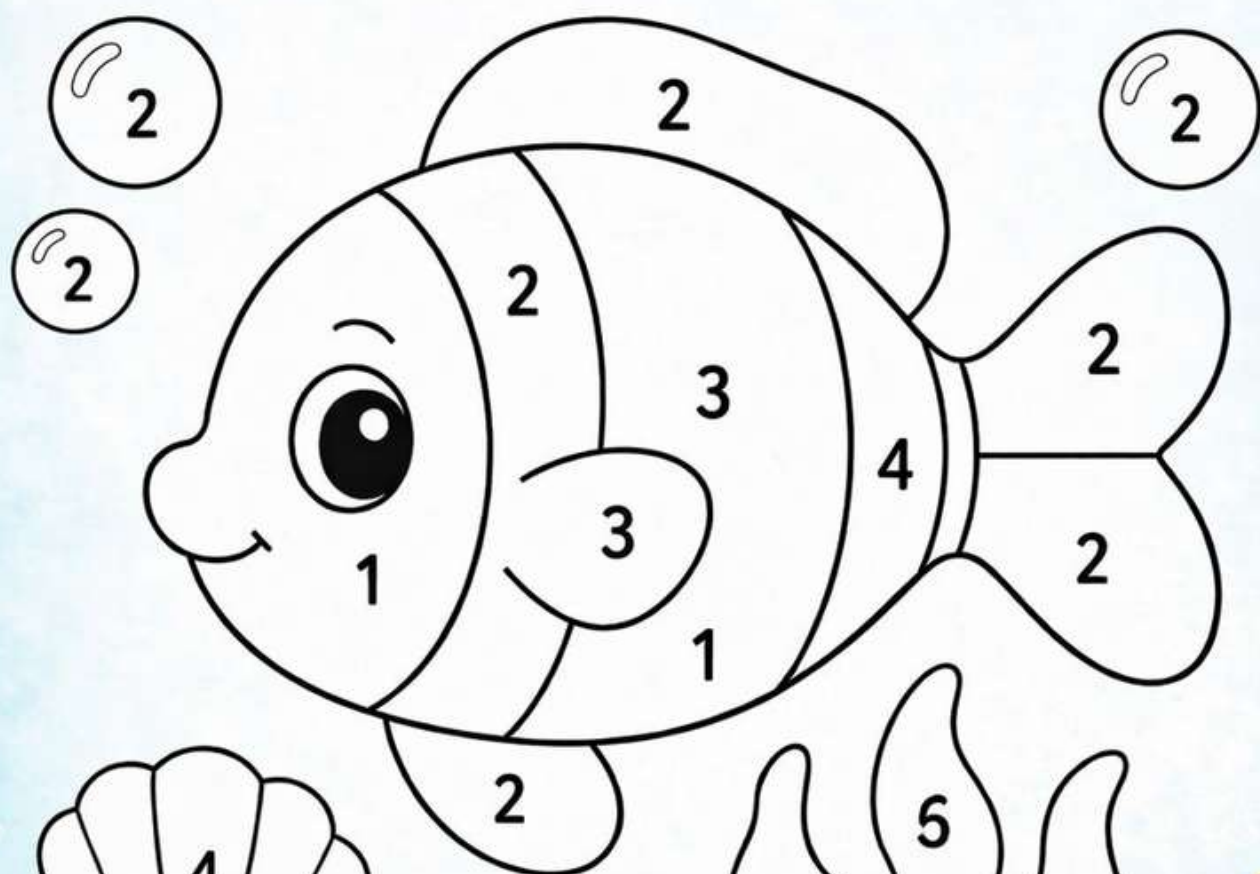

Look carefully. Circle the fish that is exactly same.

LOOK

COLOR BY NUMBER

Use the color key. Color each part with the matching number.

TRACE THE OCEAN NUMBERS

Trace each dotted number with your pencil.

COLOR THE LITTLE OCTOPUS!

Use your favorite colors.

WHAT DOESN'T BELONG?

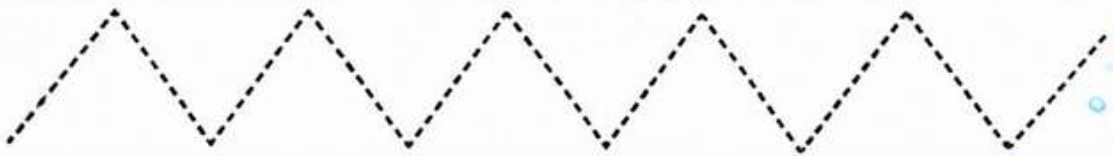

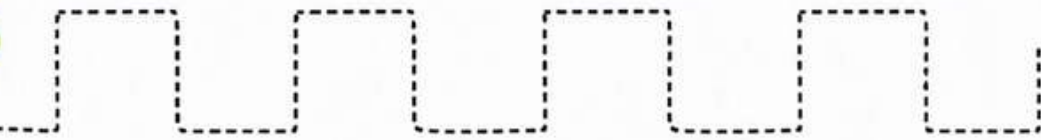

Look carefully. Circle the one that is different in each row.

OCEAN TRACING FUN!

Trace the lines and help the sea friends reach their ocean treasures!

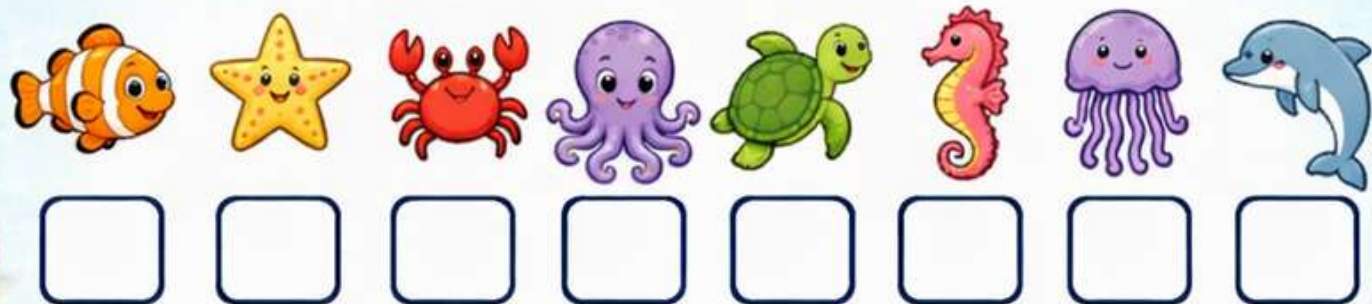

★ Great Tracing! ★

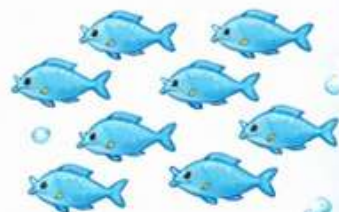

FIND AND COUNT! CORAL FRIENDS

Count each ocean friend in the big picture and write the number in boxes.

MATCH THE PAIRS!

Draw a line to match each ocean friend
to its home or what it uses.

Maze Time!

Help Morfu find the little octopus.

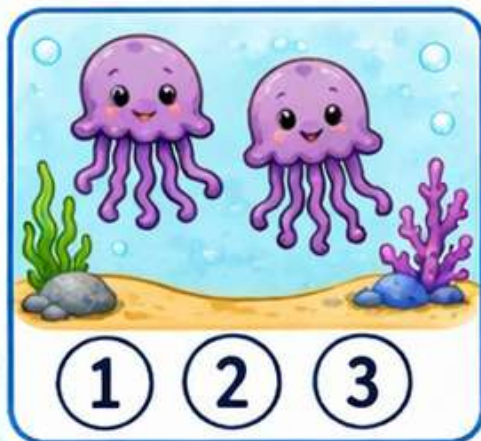

FIND THE DIFFERENCES

Can you spot 7 differences?

COUNT THE SEA FRIENDS

★ Count the friends in each box. Circle the correct number. ★

★ Great Tracing! ★

SMALLEST TO BIGGEST!

Look at the turtles. Write the letter of each turtle in order from smallest to biggest.
